MANAGE SUPPLIERS

- adressng the right person on supplier side by understanding their roles and set up
- stop getting caught up in all that jazz - How to deal with different cultures
- trouble shoot like a master - solve critical issues fast and proactive

Working with Maxi - Process

Contact

Contact me through mail or the video chat form on my website. Explain briefly what your field of interest is and in a 20 minute call we discuss whether to proceed with a meeting.

This is free of charge.

Meeting

To better understand your challenge(s) we sit down in a meeting. The meeting place is up to you to decide, whether it's your office, a nice café or a video chat.

This is charged by the hour.

Action Plan

Based on our meeting I create a non-binding concept of single action points to pick and choose from. It also includes a rough cost estimation if applicable.

This comes at a fixed cost that was determined in the earlier meeting.
